

Trading Platforms and Third Party Services Disclaimer

Trading Platform Disclaimer

The trading platforms are provided to the Client "AS IS". To the maximum legal extent allowed by applicable law, warranties and representations, whether explicit, implied, statutory or otherwise, including without limitation any conditions or warranties related to accuracy, currency, merchantability, adequate quality or suitability for a particular or any other purpose are hereby disclaimed and excluded. Alpha shall not be liable for, and Client agrees not to hold or seek to hold Alpha or its officers, directors, employees or agents liable for, any technical problems, system failures and malfunctions, communication line failures, equipment or software failures and malfunctions, and other similar computer problems or defects. In no event will Alpha be liable to Client for any loss, cost, injury or damages (including, but not limited to, punitive, consequential, special or similar damages even if advised of the possibility of such damage) whether in contract, tort (including breach of statutory duty or negligence), strict liability, or otherwise arising out of or caused in whole or in part by Client's use of or reliance on the software, trading platform or content of any trading platform.

Client understands and acknowledges that the MT4 software includes trading systems developed by third parties over whom Alpha has no control and for whom Alpha is not responsible. All orders for trades placed pursuant to indicators generated by the MT4 software are at the Client's sole risk. Alpha makes no representations concerning the performance of any trading systems included in the MT4 software or the suitability of the MT4 software for use by Client. The MT4 software does not take into account any particular individual's investment objectives, financial situation or needs, and should not be relied upon as a substitute for extensive research. Client should obtain advice based on their unique situation before making any investment decision.

We reserve the right to change the trading platform disclaimer at any time without notice. If we do so, the new version will be uploaded to the trading platform and you will be bound by the updated version if you are still using the trading platform thereafter. By accessing and using the trading platform, you agree that the UK laws will apply, and you agree to the exclusive jurisdiction of the UK courts.

Risk Warning: Trading Forex and CFDs on margin carries a high level of risk and may not be suitable for all investors. You may lose more than your initial deposit and could be required to deposit additional funds. Please ensure you fully understand the risks and take care to manage your exposure.

Third Party Trading Services

Any analysis, opinion, commentary, education or research-based material (the "Educational Materials") on Alpha's website is for information and educational purposes only and is not, in any circumstances, intended to be an offer, recommendation or solicitation to transact in any financial instrument. Any Educational Materials provided do not have regard to the specific investment objectives, financial situation and needs of any specific person who may receive it, and as such is considered to be a marketing communication. You should always seek independent advice as to your suitability to speculate in any related markets and your ability to assume the associated risks, if you are at all unsure. No representation or warranty is made, express or implied, that the materials on our website are complete or accurate.

Our website or trading platforms may provide links to third party websites. These resources are provided for your information only and we have no control over the contents of those materials, and in no way endorse their content. We will not be responsible or liable for any loss or damage incurred by you or any third party arising out of, or in connection with, any use of the information or the use of any third party service provided through our website or trading platforms and any such liability is hereby expressly disclaimed.

If you decide to access or use any third party service or Educational Materials, you do so at your own risk.
